企业简介 COMPANY PROFILE

Xiamen Dalei Stone Company as a manufacturer, supplier, and exporter of natural stone products such as slabs, tiles, cubestones, countertops, and gravestones whom offers a wide range of granites, marbles, slates, and sandstones from China and abroad.

We pride ourself on our experienced staff, strict quality control, and advanced stone processing machines. Our Company also works with other established factories to expand our stone resources.

Xiamen Dalei Stone emphasizes the importance of every detail from order processing to shipment to ensure customer satisfaction.

We guarantee that the quality of our products will always remain a top priority and will never be compromised.

Xiamen Dalei Stone pledges to provide timely delivery and affordable prices as a reputable and trustworthy manufacturer and supplier of natural stone products with a commitment to quality and customer satisfaction.

Our Quarry

PRODUCTION WORKSHOP

生产车间

我们深刻的知道科学技术对企业发展和生产力的影响，因此我们积极引进国内外先进的管理和生产方式，不断的完善企业硬件设施，实现企业生产的规模化和专业化。

We have a deep understanding of the impact that science and technology have on the development of enterprises and productivity. Therefore, we actively introduce advanced management and production techniques from both domestic and international sources, constantly improving our hardware facilities and achieving scale and specialization in our production process.

RESOURCES

资源储备

公司常年储备世界各地的花岗岩荒料，并且不断的在全球各国开拓优质矿源，有力的保证市场的需求以及企业的市场竞争力。

We consistently stockpiles granite raw materials from around the world and actively expands its sources of high-quality ore in various countries, effectively ensuring the market demand and competitive strength of the enterprise.
