STONE MASTER QUALITY FIRST

企业简介 COMPANY PROFILE

Xiamen Dalei Stone Company as a manufacturer, supplier, and exporter of natural stone products such as slabs, tiles, cubestones, countertops, and gravestones whom offers a wide range of granites, marbles, slates, and sandstones from China and abroad.

We pride ourself on our experienced staff, strict quality control, and advanced stone processing machines. Our Company also works with other established factories to expand our stone resources.

Xiamen Dalei Stone emphasizes the importance of every detail from order processing to shipment to ensure customer satisfaction.

We guarantee that the quality of our products will always remain a top priority and will never be compromised.

Xiamen Dalei Stone pledges to provide timely delivery and affordable prices as a reputable and trustworthy manufacturer and supplier of natural stone products with a commitment to quality and customer satisfaction.
